

Blessed Mother, our Lady of Guadalupe,
Queen of Peace, we pray for your help in this time of
violence, hate and evil that has caused so much
suffering and grief amongst
innocent peoples of all Faiths.

Dear Mother, we ask that you and your Son our
Lord Jesus Christ Son of God, to plead to God,
our Father, to give us the strength and assistance of
His Mighty Self and to command Saint Michael to
fight with us so we can again win the battle against
the malevolent forces who oppose God
and use His name for evil.

We earnestly pray dear Mother that you protect the
Pope, Bishops, all Priests and Religious who devote
their lives to God, help them and us your children to
stand firm and safe in our Catholic Faith.

Our Father...
Hail Mary...
Glory Be...

Amen.
